## Programming in Java

ABC Learning Center

HOME ABOUT CONTACT COURSE SITEMAP PRIVACY POLICY Login

Programming in Java\_\_\_\_\_

### Over View

Programming in the .NET environment provides insights and examples for using the latest enhancements provided by the .NET framework. The text is mostly language agnostic, though some of the code examples are in C#, but the concepts apply to all .NET enabled languages

### Entry Requirements

- Two passes for GCE A/L in any stream or
- Five Credit Passes in GCE O/L including Mathematics/ICT and English or
- Successfully completed a Certificate Course in Computer Science Stream at ABC (CCS/CSE/CCP/Python/Java)
- Successfully completed an Advanced certificate (NVQ level 4) offered by a recognized institute
